

JOB OPPORTUNITY: NURSING ASSISTANTS

[Fondation Papillon](#), a non-profit organization, is a hub of resources and support for individuals with disabilities, their families and community stakeholders. It offers adapted services enabling people with special needs to reach their full potential, as well as meeting the needs of their families.

Located in Saint-Alphonse-Rodriguez in the Lanaudière region, Camp Papillon is one of the largest adapted summer camps in North America and, since its opening in 1938, has welcomed more than 100,000 campers living with physical and/or intellectual disabilities. Its mission is to offer the opportunity to participate in the outdoor life during an unforgettable stay in an enchanting, safe environment adapted to their needs. We are committed to ensuring the happiness and well-being of our campers by sharing the "Papillon Magic" with them.

We are currently looking to fill nursing assistant positions.

ROLE

Under the supervision of the Nursing Coordinator and Camp Papillon Director, the Nursing Assistant works with the clinical team to ensure the well-being and good health of campers during their stay.

RESPONSIBILITIES

- Assess the physical and mental condition of campers on arrival and during their stay (Inf.);
- Write and update clinical follow-up tools for campers;
- Provide nursing care in collaboration with nurses, nursing assistants and patient care workers (PSS);
- Supervise orderlies (Bill 90) when necessary;
- Respond to emergency situations (campers and staff);
- Administer first aid;
- Organize transfers to a medical clinic or health care facility within the network, when required;
- Communicate with parents in situations related to the camper's health;
- Collaborate with the camp team to maintain good communication;
- Collaborate with the nurse in charge to ensure the smooth running of the clinic.

DESIRED PROFILE

- Diploma of Collegial Studies in Nursing or Bachelor of Science in Nursing or DEP in Health, Assistance and Nursing;
- Member in good standing of the OIIQ or OIIAQ;
- Up-to-date CPR;
- Available full-time or part-time, day or evening;
- Experience/knowledge of disabled clientele (intellectual and physical disabilities);
- Fluency in French;
- Autonomy, thoroughness and resourcefulness;
- Team spirit and ability to work as part of a team;
- Autonomy and initiative;
- Excellent clinical judgment;
- Organizational skills.

WORKING CONDITIONS

- Workplace: Camp Papillon (210, rue Papillon, Saint-Alphonse-Rodriguez, J0K1W0, QC);
- Transportation available from Place Versailles in Montreal;
- Lodging and food included during work shifts;
- A natural, humane work environment where fun and work go hand in hand every day!

Interested candidates should submit their resume and cover letter to mj.morasse@fondationpapillon.ca.

The Papillon Foundation team thanks all applicants for their interest. Only those candidates selected for an interview will be contacted.
